To Whom It May Concern,

I am writing to provide my professional statement as I pursue opportunities to continue my growth in the counseling field. I am currently completing my Master of Science in Clinical Mental Health Counseling at Grand Canyon University.

My goal is to serve clients with empathy, professionalism, and evidence-based support. I approach counseling through an integrative lens, with strong influences from Person-Centered Therapy and Cognitive Behavioral Therapy.

Thank you for reviewing my portfolio and professional materials.

Sincerely,
Nico Pelosi
